Executive Summary

Rich legacy - prepared for the future

- A reputable investment company with a 112-year track record, diversified portfolio and global strategic partners and investors
- A geographic footprint that opens growth opportunities in some of the world's fastest-growing regions
- Well positioned in developing countries in Southeast Asia (India and Bangladesh), benefitting from supply chain shift away from China
- Export driven revenue streams stemming from production in low-cost countries in Africa and Asia whilst capitalising on positive exchange rate movements
- A well-balanced portfolio of earnings streams supported by well-known brands and/or clients in their regions
- Robust portfolio growth, almost doubling since listing eight years ago and low debt profile at company level
- Long-term investment focus
- Focused on East African and Southeast Asian expansion
- Highly entrepreneurial and decentralised management teams supported by lean corporate office
- An experienced executive team and board that can navigate through crises and challenges

Supported by

Optimal Capital Structure

- Well balanced capital allocation
- Strong balance sheet
- Low gearing
- Strong cash generation through-the-cycle
- Balancing investment in sustainable growth with shareholder returns

ESG focus across our clusters

- Activate environmental response: Focus areas are energy, supply chains, and conservation and regeneration
- Foster a vibrant workforce: Focus areas are work environment, diversity & ethics, and learning & development
- Champion inclusive growth: Focus areas are sustainable offerings, health, education, poverty and disability
- Strong Governance Framework

Why Invest?

Value Proposition
